Abstract

No matter which district of the Surkhandarya region of the Republic of Uzbekistan you go to, the change and renewal there will brighten your heart. In particular, asphalt is being laid on internal streets that are muddy in winter and dusty in summer, and new networks are being laid in places where there is no drinking water. All these works serve the population to live comfortably. After all, it is a fact that problems are solved in front of people's eyes with their participation, construction and repair work, and the continuity of creative work are carried out for the sake of human dignity.

Introduction

In particular, residents are very satisfied with the changes and construction repair works in the existing 53 neighborhoods in Shorchi district of Surkhandarya region. Recently, the works carried out in the "Khoshtegirman" neighborhood have caused joy not only for the villagers, but also for the official leaders. The residents of the village were also pleased with the fact that the 33rd state pre-school education organization, which was built with the help of sandwich panels, started working in the village of Maijon, asphalt was laid on the inner streets of the village, 200 pillars were installed, and electric wires were laid. Especially for the children of this village, our young people were very happy that the mini stadium was put into use. Most importantly, the 56th general education school in the village was completely renovated.

Of course, good deeds and good deeds will pay off over time. 500 women included in the "Women's Register" and "Youth Register" were hired as a result of the creation of homemaking and tailoring by the "Shorchi Indenim Cluster" limited liability company in the district.

Now they will have the opportunity to ensure the material well-being of their families and raise their standard of living. At the new enterprise, clothes of different sizes and shapes are being made. It is planned to deliver ready-made clothes not only to the domestic market, but also to export to foreign countries.

Also, 4,700 people live in Saksonkapa neighborhood, 16 km from the district center. Established in 1994, conditions are gradually being created for the residents of the neighborhood to live comfortably. In particular, the commissioning of a new two-story, modern, 150-bed pre-30 school made the children happy, as well as the residents of the neighborhood. Now the little ones get their first lesson in a modern educational institution built in the neighborhood.

- In accordance with the decision No. 408 "On additional measures to further improve the infrastructure of neighborhoods in 2022-2023", asphalt was laid on the inner streets of "Tola", "Bobotog", "Aliyhimmat", "Khayrabod", "Ibnsino" neighborhoods, Oktam said. Musurmanov. - About 15 of our neighborhoods, such as "Egarchi", "Yalti", "Olatemir", "Yangiariq", "Abodon", "Zarbdor", "Saurtepa", "Gharmakurgan", "Oynakol", "Gozalik" have been laid drinking water networks. water facilities were built. A new transformer was installed for residents of "Abodon", "Bunyodkor", "Tola", "Laylakhona" neighborhoods. At this point, I should emphasize that the main goal of the official leaders in our district is to ensure the well-being of the neighborhoods

and the well-being of the population. After all, where there is peace and unity, places will prosper. Good initiatives implemented in our district will improve the lifestyle of our people and make them live contentedly.

Of course, the prosperity and attractiveness of the district and neighborhood directly depends on the solidarity and mutual kindness of the population.

It serves to increase the place and prestige of the neighborhood in the society, to eliminate the existing problems, to strengthen the bonds of kindness between our compatriots, besides, it helps people to live contentedly with their lives, to strengthen the faith in the future in their hearts.

After all, where there is harmony, there is peace, prosperity, and tranquility. Residents are satisfied with the construction and beautification works being carried out in the neighborhoods of Shorchi district.
